Trials Incorporated is pleased to welcome you to the 2021 NATC/AMA National Round 3 & 4 Eastern event. This event will be held at Wildwood Lake Raceway!!!!!! This is a location that has hosted many local Trials events, motocross races, and even Hard Enduro. It is located in the hills of southern Ohio, about 15 minutes from Parkerburg, WV. We are planning a very technical event with moss covered rock, creek beds, log crossing and maybe a hill climb or two.
