Choose Membership Type:

_____ Single Membership \$15.00

_____ Family Membership \$35.00

If "Family Membership", list family members to include: _____

Why do you want my AMA info? or What is the AMA?

Trials Inc is an AMA Charter club. We purchase insurance for every TI event through the AMA and every TI event is AMA sanctioned. Every rider entered into a TI event must be an AMA member. You can join the AMA at TI events or online at <http://www.amajoin.com/TRIINC>. Cost of an AMA membership is currently \$49.00 per year.

Why become a member?

In order to have your series points calculated with TI, you must be a TI Member. Members also get a plaque at our annual awards banquet as long as they rode the minimum amount of events for the series in their chosen class. Membership gets you involved with the club in many ways. You can voice your opinion and make a difference at our annual meeting held in conjunction with the awards banquet. Membership fees also offset the costs of our scorecards and our scoring and results system.
